2. Treasurer Tom Post said we have \$2713.41 in the bank, not including recent fees from membership renewals. Tom also mentioned that he has paid the yearly non-profit corporation fee to the state of Illinois.
3. There was discussion about all members having emergency contact information in club records, in case of a accident or illness during a club event. The discussion also covered non-club-members that attend club events. The end result is that Kentley will add a line to the membership application for a contact, AND he will also draw up a form for trip leaders to have all participants at club events sign that includes emergency contact info and a liability release for non-members.
4. Lonnie Holland mentioned that the usual spring Maquoketa Caves campout and paddle needs to be rescheduled, since the Caves Campground will be closed for maintenance. The new date is Aug 24-26. If you are interested in this event make sure you keep an eye on Meetup, since as we all know maintenance schedules can slip.
5. Look at the event schedule that goes out with this newsletter, as a number of new trips have been added:
  - a. May 26-28, Sandbar camping on the Iowa River downstream of Iowa City

  - f. Oct 12-14, Root River, WI and Upper Iowa River, IAAs always, keep an eye on Meetup as dates get closer, as details may change depending on water levels, weather, and personal problems.
6. Lonnie Holland volunteered to set up a Saukenuk page on Facebook. This would be for Saukenuk members only? to post comments, pictures, and questions.
7. A request was made for reprints to be made of a promotional tri-fold brochure from a few years ago. Rex grove will contact Lynne Majetic to see if she still has the electronic file. The club voted a approve 200 copies made for use at educational events.
